

Dr. Stormee Williams is the Vice President and Chief Health Equity Officer at Children's Health System in Dallas, Texas. She is a board-certified pediatrician who began her career in community health clinics having a strong desire to work with under-resourced populations. For over a decade, she has worked to expand healthcare through innovation and telemedicine. She is responsible for devising the organizational strategy around health equity and creating pathways that identify and eliminate disparities to ultimately improve health outcomes for marginalized groups.
